“ *You were always the baby of the family. I will miss you so much. I will always remember your testimony of the love of God and Jesus. You were suffering and would always say, (why not me suffering) Jesus suffered more than we have to by giving his life for our sins. You were full of faith. You were an inspiration to me.*

Diane,

I really did and do love you. I am thankful for the time we had over the last year to bring us closer. I love your spirit, faith and testimony of God and Jesus. Your love and trust in them was the most amazing testimony I have ever witnessed.

You believed with every fiber of your being that God and Jesus were going to heal you. We agreed on that.

You said they would give you a new liver and kidneys and my dear sister they really have.

You are healed by their grace, mercy and love. You said you would wake up with a smile on your face, and I know you did and you will be smiling forevermore.

All the suffering you went through only made your faith stronger. You would always say no matter how much you suffered, it would never compare to the suffering Jesus went through because he loved us all that much.

You will be greatly missed by all of your family both immediate and distant. You asked that we not grieve over you because you would be with God and Jesus. I know that's where you are, safe, whole and happy.

I love you and I will really miss you until we meet again. It will probably be sooner than we think and from where you are time does not matter. I love you with all my heart. God has blessed you

Diane,

I was sorry to hear about your passing today. I remember when you watched me as a child, and we always had fun. I loved it when you cooked at Grandma's house on the holidays. To Uncle Toby your children, and grandchildren, I know this is beyond difficult. My heart goes out to you as I send my heartfelt sympathy to you at this sad time.

Love,

Kim Sue Martinez
